Contract Negotiation Update

posted May 4, 2015, 9:15 AM by James Pearse

The negotiations team is working on a new 3 year contract. As soon as I can give you information I will. In generalities the school committee side's theme seems to be less teacher input and more work load. Our theme is around the idea if they do not have the money to keep the salaries up with cost of living then it is a cut in pay.
